

# Curriculum Vitae

## Lena Wohlschlager, MSc

### *Personal Data*

Position: PhD Student

Address: Muthgasse 11/1/55, 1190 Wien, Austria

Phone: +43 1 47654-75217

Email: lena.wohlschlager@boku.ac.at

Born: 1991 in Linz, Austria

---

### *Education*

|                       |  |
|-----------------------|--|
| Since May 2017        | PhD student in the Institute of Food Sciences and Technology (LBT) at the University of Natural Resources and Life Sciences (BOKU Wien), Vienna, Austria |
| Nov 2014 – April 2017 | Master program “Technical Chemistry” at the Technical University of Vienna   |
| Jan 2013 - June 2013  | Semester abroad in Lund, Sweden  |
| Oct 2009 - Nov 2014   | Bachelor program “Technical Chemistry” at the Technical University of Vienna   |
| Sept 2001 - July 2009 | High-school diploma at BRG Hamerling in Linz with focus on chemistry; passed with distinction  |

---

## **Work Experience**

|                                   |  |
|-----------------------------------|--|
| Jul 2016 – Dec 2016               | Master thesis in the research group of Prof. Frances H. Arnold in the Department of Chemical Engineering at the California Institute of Technology in Pasadena, CA.<br>Title: <i>Engineering a biocatalyst for carbenoid C–H insertion</i>   |
| May/June 2016                     | Tutor in the lab exercise “Synthesis” at the Technical University of Vienna  |
| July 2015                         | “Helper” at the conference “Biotrans” in Vienna  |
| July 2015, Feb 2015 and July 2014 | Internship at voestalpine (steel group) in the division “Research & Development - Adherence & Corrosion”   |
| Dec 2013 - Mar 2014               | Bachelor thesis in the research group of Prof. Marko Mihovilovic at the Institute of Applied Synthetic Chemistry at the Technical University of Vienna<br>Title: <i>Synthesis of Various N-Cbz-protected <math>\alpha</math>-substituted Amino Alcohols and Acetates as Substrates for an Enzyme-mediated Reaction Cascade in Vivo</i> |
| May/June 2012                     | Tutor in the lab exercise “Synthesis” at the Technical University of Vienna  |

---

## **Achievements**

|           |  |
|-----------|--|
| Jan 2013  | ERASMUS+ Scholarship for study abroad                  |
| July 2016 | Marshall Plan Scholarship for academic research abroad |

---
